ADMINISTRATOR'S INTRODUCTION

Fiscal Year 2015 has been a very special year. As of Jan. 1, 2015, the Clients' Security Fund was renamed the Lawyers' Fund for Client Protection. The new name helps to highlight the fact that the legal profession in Ohio provides reimbursement to law clients who have sustained losses resulting from the dishonest conduct of members of the profession. It is with great pleasure that I present this Annual Report for the Lawyers' Fund for Client Protection to Chief Justice O'Connor and Justices of the Supreme Court of Ohio.

JANET GREEN MARBLEY,

Administrator and Secretary to the Board, was appointed by the court in 1995. Ms. Green Marbley is a graduate of the University of Cincinnati and Capital University Law School. She is the former president of the National Client Protection Organization and former chair of the American Bar Association's Standing Committee on Client Protection.

This report reviews in detail the activities of the Fund during Fiscal Year 2015. Included is an overview of the Fund's claims procedure along with a detailed analysis of claims activity. This report also includes an overview of the Fund's reimbursement budget.

The Fund was established by the Supreme Court of Ohio to restore public confidence in the legal profession by providing financial reimbursement to victims of dishonest lawyers. That mission and purpose remains unchanged. Since its establishment in 1985, the Fund has reimbursed more than \$19 million to 2,680 former law clients.

Funding for the support of the Lawyers' Fund for Client Protection is provided by attorney registration fees collected by the Supreme Court. For Fiscal Year 2015, the Court allocated \$1.4 million to the Fund. More than \$760,000 was reimbursed to 141 law clients who sustained financial losses due to the conduct of 41 lawyers admitted to the practice of law in Ohio.

As in previous years, this report confirms the fact that the overwhelming majority of Ohio lawyers observe high standards of integrity and professionalism when entrusted with law-client money or property. The dishonest acts of a few, however, can affect the public's image of and confidence in the legal profession as a whole. The Lawyers' Fund for Client Protection seeks to improve the image of the legal profession by reimbursing law clients for losses sustained as a result of the dishonest conduct of their lawyer.

JANET GREEN MARBLEY, *Administrator/Secretary*
Lawyers' Fund for Client Protection

CHAIR'S REPORT

On behalf of the Board of Commissioners of the Lawyers' Fund for Client Protection of Ohio, I am pleased to present this report to the Supreme Court of Ohio covering the work of the Fund during FY 2015.

In Fiscal Year 2015, 257 new applications for reimbursement were received by the Fund. The Board reviewed 181 claims and determined that 141 were eligible for reimbursement. Total reimbursement for eligible claims for Fiscal Year 2015 was \$767,080.65. As indicated in this report, this figure represents a slight increase over the amount reimbursed during the previous fiscal year.

The reimbursements made in Fiscal Year 2015 resulted from the dishonest conduct of 41 Ohio attorneys. As in previous years, this number represents less than one-tenth of 1 percent of all active Ohio attorneys.

Hon. John J. Russo, presiding and administrative judge of the Cuyahoga County Court of Common Pleas in Cleveland, was appointed to the LFCP board in November 2011 to complete an unexpired term. Judge Russo was appointed to his first full term on the board in January 2013 and became chair of the board in 2015.

Unearned-fee claims accounted for 126 of the 141 eligible claims and 33 percent of the total amount reimbursed by the Fund. By contrast, there were 10 claims resulting from thefts by fiduciaries, but these claims accounted for 43 percent of the total dollars reimbursed by the Fund. Five claims involved theft of settlement proceeds, representing 24 percent of the total dollars reimbursed in Fiscal Year 2015.

The maximum amount that may be reimbursed is \$75,000 per claim. During Fiscal Year 2015, two claimants received maximum reimbursements.

Sally Cuni served as chair until Dec. 31, 2014, when her term expired. On behalf of the Board, I would like to express my appreciation to Sally for her leadership.

I would like to thank the Commissioners with whom I serve for their hard work and dedication to the accomplishment of the Fund's mission. They volunteer their time and expertise to help improve the image of the legal profession by helping those who have been harmed by the dishonest acts of a few.

I would like to thank the staff of the Fund, whose responsibilities include, but are not limited to, investigation of all the claims, preparation of summaries for the Commissioners' review, and disbursement of funds. Their contribution to the Fund's mission is invaluable.

I would also like to thank the Supreme Court of Ohio for its continued support of the Fund's mission and goals, and for the confidence placed in me by allowing me to chair this Board.

JUDGE JOHN J. RUSSO, *Chair*

Board of Commissioners

BOARD OF COMMISSIONERS

Gov.Bar R. VIII (Appendix C) requires the establishment of a seven-member board of commissioners (board) of the Lawyers' Fund for Client Protection (LFCP) to determine the eligibility of claims filed with the Fund and to manage Fund assets. The current board includes four attorneys, one judge, and one non-attorney; there currently is one vacancy. Board members are appointed by the Supreme Court justices to three-year terms and are limited to two consecutive terms. They serve as volunteers and are compensated only for travel expenses.

ROBERT W. EVERETT was appointed to the LFCP board for a three-year term beginning in 2014. Everett previously served on the board from 2003 through 2006. He is a former Dover, Ohio police officer. He is currently with the Mercy Medical Center in Canton, Ohio.

LARRY JOHNSON was appointed to the LFCP board for a three-year term beginning in 2011. Johnson is a former Columbus city attorney and retired as staff attorney to the Ohio Department of Liquor Control's Permit Division in Columbus.

JACK R. KULLMAN JR. was appointed to the board in 2015, for a three-year term. He is the Executive Director of the Guardianship Service Board.

STEVE SERRAINO was appointed to the board in 2013. He is a practicing Ohio attorney with more than 30 years of experience. He currently serves as General Counsel and Corporate Secretary for the Upper Peninsula Power Company.

HOWARD A. TRAU II was appointed to the LFCP board for a three-year term beginning in 2010 and was reappointed to a second three-year term in 2013. Traul is a partner in the law firm of Thompson, Dunlap & Heydinger, Ltd., in Bellefontaine. He is also the city of Bellefontaine's law director.

STAFF

The Supreme Court of Ohio appoints an administrator who serves at the pleasure of the court and is responsible for managing the legal, fiscal, and administrative affairs of the office. The administrator also serves as Secretary to the Board of Commissioners. The administrator appoints, with the approval of the court, staff to assist with the duties of the board.

MELETHA DAWSON

MELETHA DAWSON serves as administrative secretary and is responsible for processing all claims filed with the LFCP, maintaining the claims inventory, and providing clerical support to LFCP staff.

ABBY MINNIX-WILSON

ABBY MINNIX-WILSON, claims analyst, investigates all claims filed with the LFCP to assist the administrator and the board in determining whether the requirements for reimbursement have been met.

RIKKHYIA HARPER

RIKKHYIA HARPER joined the Fund in August 2014, and serves as its fiscal coordinator. She is responsible for the fiscal operations of the Fund and the preparation of financial reports.

PUBLIC INFORMATION & CONSUMER EDUCATION

The staff of the Lawyers' Fund for Client Protection is keenly aware that to accomplish its mission and goals, the public must know it exists. The LFCP maintains a web page at: sc.ohio.gov/Boards/clientprotection/. The page contains questions and answers about the Fund, the types of claims reimbursed, and includes an application for reimbursement. Annual reports also can be accessed on the web page.

The LFCP publishes a pamphlet containing a brief description of the purpose of the fund along with answers to basic questions about the types of claims that may be reimbursed. The pamphlet is distributed to individuals requesting information about the LFCP and/or applications for reimbursement.

The LFCP, in collaboration with the Commission on Professionalism, publishes "A Consumer's Practical Guide to Managing a Relationship with a Lawyer." The guide is aimed at providing general, practical information to legal consumers about the lawyer-client relationship. The guide is written and intended for use by the general public, and provides easy-to-understand, useful information, including how to find a lawyer, what to expect after hiring a lawyer, and how to avoid problems in the lawyer-client relationship. The consumer guide is distributed statewide to bar associations, public libraries, law firms, and other professional and governmental offices.

The LFCP is fortunate to have the expertise of the Court's Office of Public Information to assist with its efforts to inform the public about the existence of the Fund. In addition to the preparation of public announcements of matters involving the LFCP, the public information office distributes press releases following all LFCP board meetings. The press releases contain information about claims determined by the board to be eligible for reimbursement, and include a listing by county of attorneys involved in LFCP claims.

REVENUE

ATTORNEY REGISTRATION FEES

Since 1985, the Supreme Court has allocated more than \$18 million from the Attorney Services Fund to the LFCP for the payment of claims.

During Fiscal Year 2015, the Court allocated \$1.4 million for the payment of claims and \$391,841 for administrative expenses. The LFCP expended \$372,193 or 95 percent of the administrative-expenses allocation, while \$767,080.65 was expended for claims and \$300 for attorney fees, or 55 percent of the claims allocation. The trust account bank balance on June 30, 2015 was \$2,839,527.20.

INTEREST INCOME

The trust account earned \$1,616.95 in interest income.

TRUST FUND ALLOCATIONS

RESTITUTION

The Fund received \$48,862.17 in restitution proceeds during FY 2015, which is a 58 percent decrease from last year. Restitution in Fiscal Year 2014 increased by 106 percent from the previous year due to an unusually large payment received from one attorney as a result of a court order. As indicated by the chart below, the Fund has experienced this increase/decrease pattern in previous years as well. Since 1986, the Fund has collected \$1,290,882.09 in restitution. This translates into an average of \$43,029.40 per year.

The sources of restitution revenues are as follows:

- \$11,303.04 collected through court-ordered probation and/or restitution
- \$22,975.88 collected by the Office of the Attorney General
- \$500 collected by other sources
- \$2,187 collected by outside counsel (Weltman, Weinberg & Reis, Co., L.P.A.)
- \$11,710.25 collected through repayment agreements obtained by the LFCP
- \$186 collected through voluntary payments

RESTITUTION PROCEEDS

CLAIMS PROCEDURE

INTAKE AND EVALUATION

A claimant seeking reimbursement from the Fund must complete an application for reimbursement. Upon receipt of a claimant's application, the LFCP administrator reviews the information to determine whether the application alleges a loss resulting from the dishonest conduct of a licensed Ohio attorney. If the claim fails to allege dishonest conduct and/or a loss, as defined in Gov.Bar R. VIII, the LFCP administrator prepares a written explanation to the claimant and the application is closed.

INVESTIGATION

Applications alleging a loss resulting from the dishonest conduct of a licensed Ohio attorney are investigated by the LFCP claims analyst to verify the claimant's allegations. The investigation begins with written notice to the attorney to advise him or her of the nature of the claim, the alleged loss amount, and the name of the claimant. The notice instructs the attorney to submit a written response to the claim.

The LFCP investigation attempts to verify the existence of the eligibility criteria in Gov.Bar R. VIII:

- An attorney-client relationship must exist between the claimant and the attorney involved in the claim (or a fiduciary relationship customary to the practice of law).
- The application for reimbursement must be filed within one year of the occurrence or the discovery of the dishonest act. The one-year time period may be tolled if the client takes some other affirmative action (e.g., files a court action against the attorney or a grievance with a bar association or Office of Disciplinary Counsel).
- The attorney against whom the claim is filed must have been disciplined by the Supreme Court of Ohio, unless the attorney has resigned or is deceased.
- The attorney involved in the claim must have committed a dishonest act in the nature of an embezzlement or theft of money or property, or the misappropriation or conversion of money or property. Losses resulting from negligence, malpractice, fee disputes or claims involving client dissatisfaction are not eligible for reimbursement from the fund.

BOARD REVIEW

Gov.Bar R. VIII gives the LFCP board sole discretion to determine which claims merit reimbursement, as well as the amount, time, manner, conditions, and order of payments of reimbursement. The board may request additional information or hold an informal hearing before reaching its decision. A claimant or an attorney may request permission to appear before the board in person, in which case the board chair decides the request. During Fiscal Year 2015, there was one request by a claimant to appear before the board, which was granted.

An affirmative vote of at least four commissioners is required for claim determinations. The LFCP Board Rules provide that when a claim is determined ineligible for reimbursement the claimant may, within 30 days after receipt of the board's decision, request board reconsideration of the claim.

Claimants need not be represented by counsel to file an application for reimbursement with the LFCP. Gov.Bar R. VIII specifically prohibits the payment of attorney fees out of the proceeds of an award. However, LFCP Board Rule 14 permits the payment of attorney fees out of the fund if the board of commissioners determines the attorney's services were necessary to process the claim. The maximum attorney-fee award was increased from \$300 to \$500 during Fiscal Year 2015.

CLAIMS ACTIVITY

CLAIMS ACTIVITY

The LFCP board of commissioners held four quarterly meetings during Fiscal Year 2015.

The board reviewed 181 claims, determining 141 claims eligible for reimbursement totaling \$767,080.65, while tabling two claims. The board also approved one application for attorney fees, totaling \$300.

SUPREME COURT OF OHIO

RULES FOR THE GOVERNMENT OF THE BAR

RULE VIII - LAWYERS' FUND FOR CLIENT PROTECTION

Section 1. Establishment of Fund.

(A) There shall be a Lawyers' Fund for Client Protection of the Supreme Court of Ohio consisting of amounts transferred to the fund pursuant to this rule and any other funds received in pursuance of the fund's objectives. The purpose of the fund is to aid in ameliorating the losses caused to clients and others by defalcating members of the bar acting as attorney or fiduciary, and this rule shall be liberally construed to effectuate that purpose. No claimant or other person shall have any legal interest in the fund or right to receive any portion of the fund, except for discretionary disbursements directed by the Board of Commissioners of the Lawyers' Fund for Client Protection of the Supreme Court of Ohio, all payments from the fund being a matter of grace and not right.

(B) The Supreme Court shall provide appropriate and necessary funding for the support of the Lawyers' Fund for Client Protection from the Attorney Registration Fund. The Clerk of the Supreme Court of Ohio shall transfer funds to the Lawyers' Fund for Client Protection at the direction of the Court.

Section 2. Board of Commissioners of the Lawyers' Fund for Client Protection of the Supreme Court of Ohio; Administrator; Chair.

(A) Creation; Members. There is hereby created a Board of Commissioners of the Lawyers' Fund for Client Protection of the Supreme Court of Ohio consisting of seven members appointed by the Supreme Court, at least one of whom shall be a person not admitted to the practice of law in Ohio or any other state. The Court shall designate one member as chair and one member as vice-chair, who shall hold such office for the length of their term. All terms shall be for a period of three years commencing on the first day of January. No member shall serve more than two consecutive three-year terms. The Board shall have its principal office in Columbus.

(B) Administrator. There shall be an Administrator of the Board of Commissioners of the Lawyers' Fund for Client Protection. The Court shall appoint and fix the salary of the Administrator. If the Administrator is an attorney admitted to practice in Ohio, the Administrator shall not engage in the private practice of law while serving in that capacity. The Administrator shall be the secretary to the Board. The Administrator shall appoint, with the approval of the Court, staff as required to satisfactorily perform the duties imposed by this rule. The Court shall fix the compensation of personnel employed by the Administrator.

(C) Powers of the Board. The Board shall do all of the following:

- (1) Investigate applications by claimants for disbursement from the fund;
- (2) Conduct hearings relative to claims;
- (3) Authorize and establish the amount of disbursements from the fund in accordance with this rule;
- (4) Adopt rules of procedure and prescribe forms not inconsistent with this rule.

Appendix C:

RULE VIII - LAWYERS' FUND FOR CLIENT PROTECTION - CONTINUED

(D) Powers of the chair.

(1) The chair of the Board shall be the trustee of the fund and shall hold, manage, disburse, and invest the fund, or any portion of the fund, in a manner consistent with the effective administration of this rule. All investments shall be made by the chair upon the approval of a majority of the Board. Investments shall be limited to short-term insured obligations of the United States government, deposits at interest in federally insured banks or federally insured savings and loan institutions located in the state of Ohio, and in no-front-end-load money market mutual funds consisting exclusively of direct obligations of the United States Treasury, and repurchase agreements relating to direct Treasury obligations, with the interest or other income on investments becoming part of the fund. Annually and at additional times as the Supreme Court may order, the chair shall file with the Supreme Court a written report reviewing in detail the administration of the fund during the year. The fund shall be audited biennially by the Auditor of State at the same time as the Supreme Court's regular biennial audit. The Supreme Court may order an additional audit at any time, certified by a certified public accountant licensed to practice in Ohio. Audit reports shall be filed with the Board, which shall send a copy to the Supreme Court. The report shall be open to public inspection at the offices of the Board.

(2) The chair and vice-chair of the Board shall file a bond annually with the Supreme Court in an amount fixed by the Supreme Court.

(3) The chair of the Board shall have the power and duty to render decisions on procedural matters presented by the Board and call additional meetings of the Board when necessary.

(4) The vice-chair of the Board shall exercise the duties of the chair during any absence or incapacity of the chair.

(E) Meetings. The Board shall meet at least two times a year, in Columbus and at other times and locations as the chair designates.

(F) Expenses. Expenses for the operation of the Board as authorized by this rule shall be paid from the fund, including bond premiums, the cost of audits, personnel, office space, supplies, equipment, travel, and other expenses of Board members.

Section 3. Eligible Claims.

For purposes of this rule, an eligible claim shall be one for the reimbursement of losses of money, property, or other things of value that meet all of the following requirements:

(A) The loss was caused by the dishonest conduct of an attorney admitted to the practice of law in Ohio when acting in any of the following capacities:

(1) As an attorney;

(2) In a fiduciary capacity customary to the practice of law;

(3) As an escrow agent or other fiduciary, having been designated as an escrow agent of fiduciary by a client in the matter or a court of this state in which the loss arose or having been selected as a result of a client-attorney relationship.

(B) The conduct was engaged in while the attorney was admitted to the practice of law in Ohio and acting in his capacity as an attorney admitted to the practice of law in Ohio, or in any capacity described in division (A) of this section.

(C) On or after the effective date of this rule, the attorney been disbarred, suspended, or publicly reprimanded, has resigned, or has been convicted of embezzlement or misappropriation of money or other property and the claim is presented within one year of the occurrence or discovery of the applicable event. The taking of any affirmative action by the claimant against the attorney within the one-year period shall toll the time for filing a claim under this rule until the termination of that proceeding. In the event disciplinary or criminal proceedings, or both, can not be prosecuted because the attorney can not be located or is deceased, the Board may consider a timely application if the claimant has complied with the other conditions of this rule.

(D) The claim is not covered by any insurance or by any fidelity or similar bond or fund, whether of the attorney, claimant, or otherwise.

(E) The claim is made directly by or on behalf of the injured client or his personal representative or, if a corporation, by or on behalf of itself or its successors in interest.

(F) The loss was not incurred by any of the following:

(1) The spouse, children, parents, grandparents or siblings, partner, associate, employee, or employer of the attorney, or a business entity controlled by the attorney. The Board may, in its discretion, recognize such a claim in cases of extreme hardship or special or unusual circumstances.

(2) An insurer, surety or bonding agency or company, or any entity controlled by any of the foregoing;

(3) Any governmental unit.

(G) A payment from the fund, by way of subrogation or otherwise, will not benefit any entity specified in division (F) of this section.

Section 4. Dishonest Conduct.

For purposes of this rule, dishonest conduct consists of wrongful acts or omissions by an attorney in the nature of defalcation or embezzlement of money, or the wrongful taking or conversion of money, property, or other things of value.

Section 5. Maximum Recovery.

The Board shall determine the maximum amount of reimbursement to be awarded to a claimant. No award shall exceed seventy-five thousand dollars.

Section 6. Conditions of Payment; Attorney Fees.

(A) As a condition to payment, the claimant shall execute any interest, take any action, or enter into any agreements as the Board requires, including assignments, subrogation agreements, trust agreements, and promises to cooperate with the Board in prosecuting claims or charges against any person. Any amounts recovered by the Board through an action shall be deposited with the fund.

Appendix C:

RULES FOR THE GOVERNMENT OF THE BAR

RULE VIII - LAWYERS' FUND FOR CLIENT PROTECTION - CONTINUED

(B) No attorney fees may be paid from the proceeds of an award made to a claimant under authority of this rule. The Board may allow an award of attorney fees to be paid out of the fund if it determines that the attorney's services were necessary to prosecute a claim under this rule and upon other conditions as the Board may direct.

Section 7. Claims Procedure.

(A) Forms. The Board shall provide forms for the presentation of claims to Disciplinary Counsel, all bar associations, and to any other person upon request. The Board shall create a complaint form for the use of claimants that shall include, but not be limited to the name and address of the claimant, the name and last known address of the attorney against whom the claim is made, the date of the alleged wrongful act, a clear and simple statement describing the wrongful act, the amount of the claimed loss, and a statement as to whether other affirmative action has been taken as described in Section 3(C) of this rule. A claim shall be considered as filed on the date the Board receives written notification of the claim, even in the absence of the prescribed form. However, completion of the formal application may subsequently be required by the Board.

(B) Notice. Upon receipt of a claim against an attorney, the secretary of the Board shall notify the attorney by certified mail, when possible, of the fact of its filing. All parties shall be notified of any action taken by the Board with respect to a claim.

(C) Investigation; Cooperation With Disciplinary Counsel and Local Bar Associations.

(1) The Board shall investigate or cause to be investigated all claims received under this rule.

(2) At the request of the Board, Disciplinary Counsel and local bar associations authorized to investigate attorney discipline complaints under Gov.Bar R. V shall make available to the Board all reports of investigations and records of formal proceedings in their possession with respect to any attorney whose conduct is alleged to amount to dishonest conduct under this rule. Where the information sought is the subject of a pending investigation or disciplinary proceeding required by Gov.Bar R. V to be confidential, disclosure shall not be required until the termination of the investigation or disciplinary proceeding, or both.

(3) Where the Board receives a claim that is ineligible because disciplinary proceedings have not been undertaken, the Board shall hold the claim in abeyance, forward a copy of the claim to Disciplinary Counsel for further action, and advise the claimant that these procedures have been undertaken and that disciplinary action is a prerequisite to eligibility under this rule. If filed within the time limits prescribed in Section 3(C) of the rule, the claim shall be considered timely regardless of the time it is held in abeyance pending the outcome of disciplinary proceedings. Disciplinary Counsel shall advise the Board as to the disposition of the complaint.

(D) Hearings; Subpoenas.

The Board may conduct hearings for the purpose of resolving factual issues. Upon determining that any person is a material witness to the determination of a claim made against the fund, the Board, chair, or vice-chair shall have authority to issue a subpoena requiring the person to appear and testify or produce records before the Board. All subpoenas shall be issued in the name and under the Seal of the Supreme Court, signed by the chair, vice-chair, or Administrator, and served as provided by law.

(E) Confidentiality.

All claims filed under this rule and all records obtained by the Board pursuant to this rule shall be confidential. If an award is made under this rule, the award, the name of the claimant, the name of the attorney, and the nature of the claim may be disclosed.

(F) Consideration of Claims.

The Board, in its sole discretion, but on the affirmative vote of at least four members, shall determine the eligible claims that merit reimbursement from the fund and the amount, time, manner, conditions, and order of payments of reimbursement. No award may include interest from the date of the award. In making each determination, the Board shall consider, among other factors set forth in this rule, all of the following:

- (1) The amounts available and likely to become available to the fund for the payment of claims and the size and number of claims that are likely to be presented;
- (2) The amount of the claimant's loss as compared with the amount of losses sustained by other eligible claimants;
- (3) The degree of hardship suffered by the claimant as a result of the loss;
- (4) The degree of negligence, if any, of the claimant that may have contributed to the loss.
- (5) Any special or unusual circumstances.

To preserve the fund, the board may adopt rules implementing a sliding scale whereby eligible claims are compensable at fixed percentages of the total loss but not to exceed the maximum award allowed by this rule.

The determination of the Board shall be final.
